

Missouri Allis-Chalmers Club                      2nd Quarter 2024

- 1.) Swap Meet 2024: It was another great success; thanks to all who helped!
- 2.) MRVSEA Sept. 5-8, 2024: The building will be open and we need lots of A-C tractors/implements/etc. (the national Oliver and Hart Parr show is the feature; some of their chapters will set up tables in the building as our guests). We need help with our club's tables, too; our meeting will be 10am Saturday in our building. We will co-host a "block party" with neighboring clubs Saturday evening between our building and John Deere's (burgers, drinks, and ice cream provided). Bring your lawn chairs and a donation to help with costs.
- 3.) Eldon Sept. 20-21, 2024: Osage River Antique Power Association has invited us to celebrate A-Cs at the Miller County Fairgrounds (432 E 8th St, Eldon, MO 65026); see [www.orapa.org](http://www.orapa.org) or [info@orapa.org](mailto:info@orapa.org) or Facebook for more details.
