

Missouri Allis-Chalmers Club

October

We had eventful September; a good turnout in Boonville but Macon was rainy and cold. There was a meeting in Macon (sorry for confusion about MRVSEA, miscommunication on publishing side) with some news below:

- ★ Upcoming Meetings: We need to return to at least quarterly meetings so the plan is: a.) March Swap Meet (Mar. 5-6, '27); b.) spring work day (May/June?); c.) MRVSEA and/or a "feature" show; and d.) the Winter Banquet.
- ★ Traveling Trophy: We have a competition with our friends at John Deere, Oliver, and Case. We had 56 A-Cs at Boonville and beat John Deere (54), and Oliver (28); if a club is the MRVSEA feature, they are not eligible to win.
- ★ Sponsorships: We had gifted \$500 to Windsor FFA to restore a Rumley "Y" that was displayed at MRVSEA; it was discussed at Macon to award two \$500 sponsorships to two FFA projects restoring A-Cs to be displayed at future shows (decision to be made at Banquet meeting). An annual total of \$1,000 was authorized with a maximum of \$500 per individual sponsorship.
- ★ Winter Banquet at Wise Bros. (3361 Old U.S. 40, Kingdom City, MO 65262):
 - ★ Work Day, Sat., Dec. 5 – Gather at Wise Bros. at 10am, work (sweeping, cleaning, set-up), and maybe lunch.
 - ★ Banquet, Sat., Dec. 12 – 10 am to socialize, 12noon lunch, and Meeting after. Lunch cost is TBD but likely a little higher than last year; RSVP with Clay Rieves by Work Day/Dec. 5 or 573-356-0626 or clayrieves@icloud.com
